1. Chapter 1

I decided to be rewrite the whole story in completely different way so if it's going to be completely AU. I will take more time proofread the story before posting it.

I do not own the characters that all belongs to Michael Jacobs but I do actually own one character which is Isabella. I don't own the idea either that belongs to who ever created itdefinitely maybe.

I was playing with divorce papers in my hand, thinking about how much my life had change over last year.

I never expected to be divorced but than again I never expected father of ten-year -old either, so and other word my life took the unexpected turn in last ten year.

I found myself sitting back and watching izzy as she unpack kitchen, because It unbelievable how much she look like her mother.

It was insane because Isabella is just a carbon copy of her mom but with my personality.

When she was finally done putting the dishes away, she hopped on the counter.

" OK cowboy, I know that mama and you are getting a divorced now, and I been wondering how did you and mama met and falling love? " Izzy asked me as she smirked at me and I sigh and walked away.

" not chance princess, and it time for bed" I told Izzy and I can feel her rolling her eyes at me.

" why not? Are you scared to tell me your guys epic love story. You don't have to give me all the gross details about sex or anything, but I do want to know the story. " I stopped in my tracks, as my heart start to beat fast, what does she know about sex? I though to myself as I quickly turned around to her. "A) don't ever mention the word sex around me, unless you want to give me a heart attack! B) I'm not scared, I just That believe that some stuff best left than the past, but

What I need from you young lady is for you to march up the stairs and get your pajamas on and brush your teeth, then go get into bed, so I can tuck you in" I told her but she didn't move, she just stared at me with those green eyes just like her mother used too.

I remember there was no matter how angry I got, all I had to do was just look into her eyes and anger would vanish in seconds. " Daddy, you realize you have not told me a bedtime story since I was five years old and I want to heard a bedtime story. " she challenged with smirk on that pretty little face of hers, I ran my hand down my face. " you don't like bedtime stories remember you said there for babies, " I said but Either one of us blink or looked away.

" I change my mind and I want to hear a story, because isn't it a free country, can I change my mind When I ever want too! Maybe I like stories now and would you really deny your sweet little girl a bedtime story because that will make you a terrible parent. " I couldn't help but laugh at my big baby. " you will make a great lawyer one day but until than, it for time for bed young lady." I told her as I point it toward the stair.

10 minutes

I was playing with picture of me and her mother, when izzy had coming downstairs and I placed a picture of the back pocket.

" did you ever dated other girls other than mom?" She asked me as she grabbed a banana out of the bowl in the middle of the table before lean against it.

" I had two serious girlfriends other than your mother but I've dated tons of girls" I replied she gave me a strange look before smile at me.

" what is the male version of a slut" she asked me and I couldn't think of what male version of a slut then again there wasn't too many words for males.

" there still working on it sweetheart" I said as I smirk at her, " well daddy you were a male slut." She told me as she finish her banana.

" so if you guys met college? Because mom told me that you were always infatuated with her. " Izzy told me and I couldn't help but laugh at that statement.

"your mom says a lot of things but what we both need to remember is

she a pathological liar but I can meant that she fell right into my lap and I could get here out my ever since than." I told and Izzy face lit like a Christmas tree.

" now that you sparked my interest you have to tell me the story, mommy told me that you can't be in love three times and she was only in love once" Izzy told me as she walked over to her bed, and got under the covers.

"maybe, but I think love is infinite." I told her as I kiss her forehead before head out of the room.

"daddy wait!" Izzy call after me causing me to stop in my track."I never really asked you for anything, and I think it only right that I know the story because it a part of my history!" I told me and I sigh before turning back to her.

" OK little lady here's the deal I'll tell you the story but I'm not telling you the names of the three girls you have to guesis which one is your mother." I said as I sit down next her while she cuddles her little pink hippo.

" okay I like that idea is like a love story mystery" izzy smile at me and I rolled my eye.

" It all start my sophomore year of Texas A & M University , I had just rode tombstone the bull and I come off high that was so incredible.
